Weekly Discussion Section Schedule and Sign-up Form

Weekly, 50-minute discussion sections will be run by teaching assistants Mr. Alessandro Barattieri, Mr. Matteo Cacciatore, and Mr. Radoslav Raykov. The T.A.'s will use these discussion sections to hand back your graded exams and to review, discuss, and answer any questions that you might have about the problem sets, exams, and the course material in general.

Please indicate your preferences over the available sections listed below by placing the numbers 1 (for most preferred) through 3 in three of the blanks and put X's next to the times for which you already have commitments. If by chance you have conflicts with ALL of the possible slots, please list your academic (and work or athletic, if applicable) schedule on the back of this page. Please make a note of your choices; and if your schedule changes in a way that makes it impossible for you to attend one of your chosen sections, please submit the "discussion section revision form" that is available through the course web page, referred to above.

Please return this sheet to me as soon as possible but no later than Tuesday, January 27. Section assignments should be announced by Friday, January 30 and the sections will begin meeting during the week of February 2.
